Parents, students and teachers work together for success!

What is a Family-School Compact?

A School-Family Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ◆ **Begin** with standards
- ◆ **Focus** on student learning
- ◆ **Respond** to school data
- ◆ **Define** everyone's responsibilities
- ◆ **Depend** on us to believe in it and us it!

RPS Second Grade Teachers

The second grade teachers will work with students and their families to support student success by:

- Providing a weekly newsletter/Dojo that includes reading and math goals
- Providing parents with a list of grade level high frequency words
- Provide a math fluency folder with flashcards for nightly practice

RPS Second Grade Students

Students joined staff to discuss ideas to help them succeed in school and reach their goals. They decided upon the following ways to connect between learning at home and at school:

- Read aloud for 20 minutes each night from a chapter book
- Practice math facts using flash cards & charts from my fluency folder
- Practice high frequency words

RPS Families

RPS parents joined staff to develop ideas about how families can support student success. They agreed to the following ways to support at home learning:

- Read the class newsletter to stay informed of curriculum and events
- Practice math facts with my child using flashcards, addition/subtraction charts, and other resources in the math fluency folder
- Practice sight words & reading fluency
- Attend parent teacher conferences & curriculum nights

When teachers, students and families work together, we CAN achieve our goal.

Building Pawprints of Lifelong Learners

Jointly Developed

The parents, students and staff of Ringgold Primary School jointly developed this School-Family Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review this Compact and make changes based on student needs. Meetings are held each year to update this Compact and make changes based on student needs.

Parents are welcome to contribute input for the compact at any time.
