Parents' Guide to PBIS

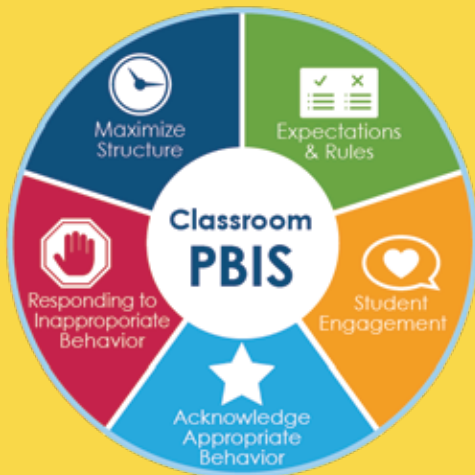

Responsible, Polite, and Safe
Tiger Cubs are GREAT!

What is PBIS?

Positive Behavior Interventions and Supports (PBIS) is a research based framework for teaching and supporting positive behaviors for ALL students. This school-wide approach to discipline focuses on building a safe and positive environment in which all students can learn. The benefits of implementing PBIS include:

-  **Improved school culture**
-  **Reduced office discipline referrals**
-  **Reduced suspensions**
-  **Increased instructional time**
-  **Improved social & emotional development**
-  **Improved school safety**
-  **Increased student engagement**

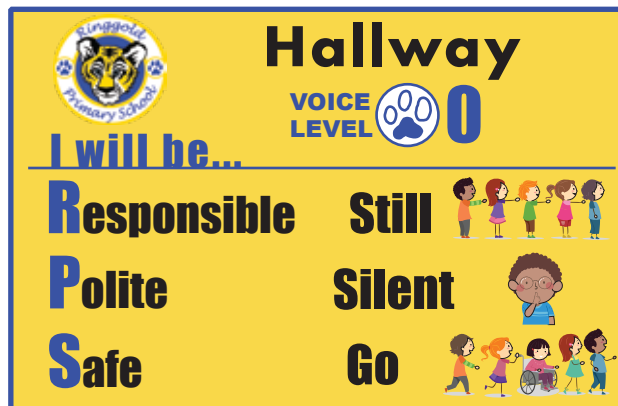

Behavior Charts

The foundations of PBIS at Ringgold Primary begin with these behavior expectations.

Our behavior charts describe expected behavior in each setting of the school. Each area has its own behavior chart posted in that area.

Classroom teachers also have created a chart specific to that class so students understand the routines for each classroom

Teaching Expectations

Throughout the school year, students are taught what it looks like to be responsible, polite, and safe in every setting during the school day. These lessons will be re-taught and reinforced throughout the school year and become a part of the instructional program. Reminders are frequently used

Reward System

Acknowledging and rewarding positive behavior is one of the best ways to encourage expected behavior and change unexpected behavior.

Through our Positive Behavior Intervention and Support program, (PBIS), students are recognized and rewarded for showing positive behavior and following our school wide expectations.

Students earn Dojo points, positive office referrals and special recognition coupons for demonstrating expected behavior.

Students with **90% or greater positive Dojo percentages with no discipline office referrals,** will get to enjoy class and school-wide celebrations every 9 weeks!

At RPS we love to celebrate, recognize, and reward our amazing students!

Celebrations include movie & snack days, dance parties, special treats such as Kona Ice, and PBIS field trips.
