Summer Reading Program 2022 Teasers!

Preschool (Ages 0-5 / Birth-Kindergarten)

Ahoy, Matey! Join us this summer as we take a deep dive into what the ocean beholds. Some of the neat things we will be doing this summer are designing our own pirate flag, creating an ocean in a bottle, and making sand art. Plus we will continue to have our interactive storytimes, lego club, and even ocean movies.

School Age (Ages 6-11 / 1st-6th Grade)

Surf's Up, Dude! This summer join us as we swim into some aquatic fun. Some of the tubular activities we will be doing are, creating mermaid slime, designing your own shark, painting your own seashells, and much more. This year we will also have a STEAM Club that will focus on all things ocean. We'll determine what sinks or floats in different waters, making a jellyfish in a bottle, and designing your own boat.

Young Adult (Ages 12-18 / 7th-12th Grade)

Discover an Ocean of Possibilities with us this summer at the Catoosa County Library! The young readers of the library will have opportunities to learn about all things ocean, participate in programs, and challenge their reading skills. Dive into crafts, games, and other ocean-themed activities while completing the Summer Reading Challenge. At the end of summer, the readers who earn all of the badges in the challenge will receive a prize bag for a job "whale" done. The top three readers who read the most books will win a sea-riously epic prize! So remember to log your reading and come to programs to check off those challenges and earn those badges! Get ready to have a fin-tastic summer.

Adults (Ages 18+)

Seas the Day for Oceans of Possibility this summer with a swashbuckling reading fest at the Catoosa County Library! Our adult readers are included in the reading fun this year with a reading challenge to keep their own literacy goals in check while having fun on the high seas. Adult readers who complete the reading challenge goals will be entered for a fun prize pack. Swim on by this summer for coastal inspired crafts, bingo, adulting sessions and Catoosa Cooks bags. Life's a beach (when there is a book in your hands)!
